“endless potential to create successful hotel investments”

October 21, 2010

To Whom It May Concern:

Ed Golden has asked that I write a letter of recommendation based on our professional association over the past several years.

I would highly recommend Mr. Golden. We have used his services on several occasions for leadership growth, team development, strategic planning, resolving conflicts and effective goal setting for our managers.

Mr. Golden is highly professional, extremely skillful and very knowledgeable about topics useful in training our managers. We have enjoyed his creativity, his interaction with managers and his ability to make everyone eager to learn. He has a special ability to make people feel that he is an old friend. This ability enabled our managers to accept new ways of doing things.

Thank you for allowing me to take a moment of your time to recommend Ed Golden.

Sincerely,

Carol Cline  
Vice President  
HHC Hotels, LLC.
